Gen RP Kalita, GOC in C Eastern Command

Indian Air Force officials, along with their families, were seen letting their hair down at the Indian Air Force Cup and The Eastern Air Command Cup at the Reserve Stand of the race course on Saturday. The Sky Diving team of the Air Force also displayed a stellar show, leaving everyone at the do mesmerised.

"It was a pleasure to witness the race from close quarters as I was in a car driving alongside the racetrack. I congratulate the owners, trainers and jockeys of the horses that won and came a close second in the race. They did a brilliant job," said Air Marshal DK Patnaik, Air Officer Commanding in Chief Eastern Air Command, Shillong.
